All players listed on the batting order must be present at the start of the game. Any player arriving after the start of the game shall automatically be placed at the bottom of the batting order, regardless of where the team is in the batting rotation. The player will be allowed to bat and field.

Section 5.14 At any time, the team at bat may use a courtesy runner for the pitcher and catcher of record from the previous time on defense. The courtesy runner must be the player who made the last out. If the player who made the last out was a pitcher or catcher you can revert to the next non-pitcher or catcher who made an out to act as courtesy runner.

Section 5.15 A courtesy runner (last out) may be used for an injured player if necessary. The injured player may return to the game if able to play in the field or bat in their spot in the line-up.

Section 5.16 All games shall have a time limit of one hour and forty minutes (1:40)

Section 5.17 In league and in tournament play, if time is up and the home team is ahead the game is over at the conclusion of the visitors at bat.

Section 5.18 At the end of the time limit specified, if a run limit per inning exists for the division and either team is ahead by more runs than can be scored in the half inning, the game will be called complete and the inning will not be concluded. All other divisions shall complete the inning in progress. The game shall count as a legal game regardless of the number of innings played.

Section 5.19 A new innings starts immediately after the third out of the home teams at bat. If there is 5 seconds

left in the time, you will play another inning. Umpires will not tolerate intentional stalling.

- (a) If seven (7) innings AND time has expired, one (1) additional inning will be played. If the game is still tied after the one (1) additional inning, then the game shall be recorded as a tie.
- (b) If seven (7) innings have expired, BUT not the 1:40 time limit, extra innings may be played until the 1:40 time limit. The game shall be allowed to continue until such time limit expires. If this situation occurs, no new inning shall begin after 1:40 as long as at least one extra inning (the 8<sup>th</sup> inning) has been played.

NOTE: In enforcing these rules, the home team shall not bat if they are winning and the mercy requirement is met prior to the bottom half of the listed inning.

SOFTBALL ONLY – When after the completion of seven (7) innings of play or time has expired, the score is tied, the tie-breaker rule will be followed.

- Starting with the top of the eighth inning or the inning after time has expired, and each half inning thereafter, the offensive team shall begin its turn at bat with the player who is scheduled to bat last in that respective inning being placed on second base.

**Section 5.21** If a game is called due to rain or other acts of God and cannot be resumed, it is a regulation game if: In a seven (7) inning game, four (4) innings have been completed or if the home team has scored more runs in three and one-half (3 ½) innings than the visiting team has scored in four (4) complete innings or if the home team scores one or more runs in its half of the fourth inning to tie the score. If a game has progressed beyond the 4<sup>th</sup> inning and is called to due to rain or other acts of God and cannot be resumed, the score will revert back to the previous completed inning.

Section 5.22 All other games will resume from their exact point of delay.

Section 5.23 The Home Association may postpone a game due to inclement weather prior to the game. In this event, the home team manager shall notify the visiting manager as early as possible. All other game stoppages due to weather conditions shall result in the game being delayed by the Umpire-in-Chief on the field of play, and ONLY the Home Association's Board Member on duty has the authority to officially postpone the game. Players, managers and coaches must report to the field of play to receive official confirmation of a game postponed by the Umpire-in-Chief. Failure to so report will result in a forfeit being declared.

Section 5.24 The home team must contact by email the visitor within 7 days of the rainout and offer two dates. The visiting team must respond within nine (9) days of the rainout to the two (2) dates offered. Even with conflicts the game must be rescheduled within fourteen (14) days of the rainout. That does not mean played within fourteen (14) days just rescheduled for a later date. If neither team initiates a reschedule within the fourteen (14) day time frame, the game will go down as FORFEIT for both teams. A forfeit shall be recorded with a score of 7-0.

Section 5.25 If one (1) team is at fault for the game not being re-scheduled in the two (2) week period, that team will receive the forfeit. This will be determined by email dates and times. A forfeit shall be recorded with a score of 7-0.

Section 5.26 Whenever a game is played on a diamond with distance between bases is less than ninety (90) feet, the coaches boxes at first and third base shall be moved in towards home plate so to be in the same relative position with first and third base as on a regulation ninety (90) foot diamond.

In the event the protest is disallowed, the fee shall not be refunded. In the event the protest is upheld, the fee shall be refunded.

Section 6.06 Whenever an alleged violation of a PLAYING RULE occurs during the progress of an official game during the regular season, or an official rescheduled game, the manager or a duly registered coach of the protesting team must call TIME and IMMEDIATELY notify the Umpire-In-Chief and the manager of the opposing team that the game is being continued "under protest". At this time, both managers and the Umpire-In-Chief must initial both scorebooks, noting where in the game the protest occurred. The protesting manager must send a photocopy of their scorebook page of the game under protest along with their letter of protest to the SLCAA Commissioner. Failure of the protesting manager to comply EXACTLY with this section will nullify and render void any future protest regarding the alleged violation of playing rules referred to herein.

Section 6.07 In the event the protest referred to herein is withdrawn, and the Umpire-in-Chief is so informed by the protesting manager or coach making the original complaint on the field, there shall be no protest and such action will nullify and render void any future protest regarding the alleged violation of the rules referred to herein. The Umpire-in-Chief initials the score book at the point in the game where the protest is withdrawn.

Section 6.08 If, however, the protest is not withdrawn as described herein, it shall then become the obligation of ALL umpires working the game to submit, in writing, a detailed letter describing the situation(s) leading up to the point in the game where the protest occurred within twenty-four (24) hours after the game and immediately send it to the appropriate SLCAA Commissioner. It shall also become the obligation of the opposing manager to file a written report of the incident causing the protest with the SLCAA Commissioner within seventy-two (72) hours following the end of the game in which the alleged violation of the rules occurred.
